Clarification of BBYRA Membership Fee Structure: Annual membership runs from May 1st of each year through April 30th of the following year. Each BBYRA membership is a family membership. For BBYRA purposes a family is one or more people living in the same household. There is also a per boat aspect to membership that a single family that wants to race two boats needs to purchase one racing membership for each boat.

Here are some examples of how the membership fee structure works in practice:

1. One couple pays for a single Basic membership which enables them both to crew on the same boat simultaneously and skipper the boat with the owner's permission.
2. One couple pays for a single Basic membership which enables them both to crew on separate boats simultaneously.
3. One family pays for a single Racing membership which enables the parent to race their boat while the child crews on another boat simultaneously.
4. One extended family (2 families) pays for 1 Racing membership and 1 Basic membership which enables them all to race on their boat simultaneously.
